## Message received from Dr APJ Abdul Kalam, Former President of India – Mail dated 20<sup>th</sup> April 2013

Dear Shri Prime Point Srinivasan

I received your mail regarding the Sansad Ratna 2013 awards to top performing Lok Sabha MPs and the National Seminar being organised on Politics, Democracy and Governance. My greetings to the Sansad Ratna 2013 award winners and the panelists and participants of the National Seminar.

Apart from contributing to the debates and discussions in the Parliament using their core competence in enacting the laws for societal change and transformations, and empowering the Indians to be competitive not only in India but also in the Global world, Hon'ble MPs need to focus on Education, Literacy and Skill Development missions which are the basic foundation of building knowledge society.

They also may contribute their best to bring better water management by desilting the tanks and water bodies and to work for creating Smart Water ways in their states and transform the villages into carbon neutral villages.

They should effectively use the available time for discussion to bring landmark legislation's for the benefit of fellow citizens with the aim of making the nation a developed nation before the year 2020 through the developmental politics approach.

I wish all the award winners and the participants and panelists for the purposeful discussions during the National Seminar.

Greetings and best wishes

Kalam

## HUMOUR IN LOK SABHA

### Global Warming in Lok Sabha

While participating in the Short Duration Discussion on Global Warming on 8.5.2007, the Hon'ble Member Dr. K.Dhanaraju was making a long speech and the Chairman (Shri Varkala Radhakrishnan) asked him to conclude. When he continued speaking, the Chairman remarked that Global Warming was applicable to the House too and that there should be limit on the time taken by Members. In response to that, the Hon'ble Member in a quick repartee said, "Sir, we should warm up for a war against Global Warming" and the House burst into laughter.

### Assurance on Earthquake

During the Question Hour on 9.3.2007, the Hon'ble Member, Shri Ananth Kumar was referring to the Koyna Dam and its location in the seismic zone and in the course of putting a supplementary, he wanted a solemn assurance from the Hon'ble Minister of Earth Science. While replying, the Hon'ble Minister Shri Kapil Sibal said that he can solemnly assure him that he will ask God that there should be no earthquake in Karnataka, and the House enjoyed his humorous remark.

### Runway and Not Run-away

While the Hon'ble Member, Shri N. Janardhana Reddy who represented Visakhapatnam constituency was putting a supplementary as to when the Visakhapatnam runway would be made functional, the Hon'ble Minister for Civil Aviation, Shri Praful Patel said that having done Bhoomi Pujan, they will do the inauguration too. When Shri Reddy insisted on a specific answer, as to when the runway would be made functional, another Hon'ble Member Mohammed Salim interrupted to say that the Hon'ble Minister said 'runway' and not 'run-away', and the House enjoyed the witty remark.
